

Using Photographic Images of Children
Consent Form – The Forest School

Child’s Name : _____ Current Tutor Group _____

We sometimes take photographs and make video or webcam recordings of the children at our school. These images may appear in and around the school, in our printed publications e.g. school prospectus, newsletter, and on our website.

The school also, from time to time, supplies photographs with press releases to be published in local newspapers, and may be visited by the news media to take photographs or film, of an event. Pupils may appear in these images which will be published in local newspapers or broadcast on local television.

To comply with the Data Protection Act 1998, we need your permission to photograph or make recordings of your child. More details of the school's policy on photographs and moving images are detailed in the accompanying policy statement.

Please circle Yes or No to the following questions

- 1. May we take photographs and moving images of your child and use them:
 - Around the school
 - In printed school publications
 - On the school website/intranet

(Individuals will not be identifiable by their full name without specific permission)

YES NO

Please note that websites can be viewed throughout the world and not just in the United Kingdom where UK law applies.

- 2. Do you consent to the use of your child’s image in local newspapers and other news media?

(Full names may be published along with the photographs)

YES NO

Please note that this applies to newspaper reports, newspaper website and television footage.

I have read and understood the attached policy statement. I understand that my decision will remain valid throughout my child’s time at the school, unless I notify the school in writing to the contrary.

I promise that should I take photographs or video recordings at a school event these shall be used solely for family use and will not be used on personal web sites.
