

THE FOREST SCHOOL PARENTS AND TEACHERS
ASSOCIATION

ANNUAL GENERAL MEETING

Tuesday November 10th 2009 7.30pm at The Forest School.

More parents are needed to join the PTA to help with fundraising and other activities to help support the school – making the school an even better educational experience for our boys.

As parents we are the driving force behind our boys' desire to achieve, work hard and do well at school, ultimately achieving their Personal Best. The PTA is one way parents can make a real difference by becoming directly involved and providing essential extra help.

The PTA is also somewhere to organise events to bring the whole school community of parents, staff and boys together to have fun social interaction whilst raising money for the school to enhance their facilities and equipment.

The more parents become involved in the PTA, the better it becomes.

We look forward to meeting you for the Annual General Meeting on Tuesday November 10th.
