

Dear Parent / Carer

Mathematics Independent Study

I sincerely hope your son is enjoying starting his GCSE Mathematics study and I am impressed by the reports from Year 10 Mathematics teachers about how pupils have settled, have a positive attitude to the course and are determined to achieve their personal best.

To help with independent study we are able to obtain various resources at school prices. I detail these below:

Maths Watch – Interactive CD Rom giving over 14 hours of extra maths tuition	£3.00
GCSE Revision Guide Book	£2.25
GCSE Workbook and Answers	£3.25
Practice Papers	£2.50
Maths Killer Exam Tips	£1.00
Professor Gunning (How to Revise)	£1.15
GCSE Statistics Revision Guide Book	£4.50
GCSE Statistics Workbook and Answers	£4.00
Head Start to AS Level Mathematics	£2.50

Should you wish to order any of these items, please complete the attached order form and return it to your son's Mathematics teacher by **Friday 9 October 2009**.

Your son will have been given a MyMaths individual log-in which allows him to complete independent study and revision at home. We also offer a Maths surgery on Wednesday and Thursday afternoons from 3pm to 4pm in room MA6 where your son can ask for advice, revision tips or help from at least one member of the Maths team.

GCSE examinations for Mathematics, Statistics and Additional Mathematics are held at the end of Year 11. However we will be testing their progress at the end of each term throughout Year 10 and 11.

May I thank you for your continuing support and I wish your son every success in his studies.

Yours faithfully

Mr M Sanderson
Subject Team Leader Mathematics
