Dear Parent / Carer

As part of our desire to ensure parents are well informed and feel involved in their son's learning, we are running a GCSE Information Evening.

All parents of boys in Year 10 are invited to attend this important event in our calendar which will take place on **Thursday 24th September 6.00pm – 7.00pm** in the Main Hall.

Senior Staff will be giving presentations on:

- the curriculum at Key Stage 4, and the setting of pupil targets
- the Personal Development curriculum
- coursework requirements
- how parents can support their sons and the school's mentoring scheme

In addition, all of our Directors of Learning will be available at the end to answer questions and show examples of coursework/course materials from previous years.

We anticipate that the event will be well attended and therefore are limiting places to 2 per pupil. We do not anticipate that the boys will need to attend.

We also anticipate having various resources on sale that will support both parents and pupils through Years 10 and 11, so please bring your cheque books or cash.

If you would like to attend please complete the reply slip below and return to the main office via your son's tutor by **Friday 18th September**.

Yours faithfully

Mr G Good
Assistant Headteacher
